At **American Dance**, we are dedicated to do our best to provide a safe opportunity for teams to compete this season. It takes all of us, including dancers, parents, spectators, directors, and facility management to insure a successful event. We thank you for choosing American for this contest and look forward to a great day with all events. We appreciate everyone for following guidelines and protocol to provide this experience for the dancers who have worked so hard to prepare for this day.

### Here are some reminders:

- **Spectators**, must have your wrist band that was pre-purchased prior to the contest. We will not sell any admission on site. You must wear a mask or face covering at all times.
- **Dancers**, please wear your masks in the hallways and once you are 'on deck' in the pre-fuction area, you may remove your mask and tuck it into your costume. If your school requires a mask at all times, you will not be penalized. Please do not use restrooms for costume changes. Use assigned dressing areas.
- **Spectators** will need to depart the convention center area after the last performance of your block so that areas can be sanitized and due to capacity restrictions. You may watch the awards ceremony on FaceBook Live on our American Dance/Drill Team page from another location. We will not allow spectators to attend the 'in person' awards ceremony.
- The **Awards Ceremony** will take place in the Pre-Function area in front of the Bella Ballroom and will be only for dancers and directors. Dancers must sit with your teammates with masks on. We will have the awards grouped on the table for each team to send a couple of representatives to pick up after the ceremony. There will be no solo winner performances prior to awards. Solo Finalists and winners may stand in your spot to be recognized.
- With very limited space in the Bella Ballroom, we ask that **dancers not enter to watch other team performances**. We encourage the director (or assistant director or mgr) to video on Facebook Live on your team's page for all to see (live or after event).
- Thanks, again, to everyone for helping us make this contest a success!
