Dear Guardian,

Your child has expressed an interest in becoming a manager of the Dance Team. Duties and responsibilities of a manager are to assist with the drill team daily activities as well as special performances. This includes before and after school rehearsals, football & basketball games, contests, spring show and any outside activities of the team. Managers are considered part of the drill team and will be able to purchase items to be worn at special events for the team. Managers will receive a credit and grade just as drill team members do. Make sure a small, current picture is attached to the application form.

I, _____ realize the responsibility and time involved in being a drill team manager. I also realize that I will need to attend all meetings and drill team functions, as well as help the director, officers, and team members in whatever capacity that I am assigned.
