**Duties & responsibilities for the position of manager:**

To assist with the drill team daily activities as well as special performances. This includes before and after school rehearsals, football & basketball games, contest, spring show and any outside activities of the team. Managers are considered part of the drill team and will be able to purchase a Friday outfit and one other special uniform to be worn at special events for the team. Managers will receive a credit and grade just as drill team members do.

I, \_\_\_\_\_, realize the responsibility and time involved in being a drill team manager. I also realize that I will need to attend all meetings and drill team functions, as well as help the director, officers, and team members in whatever capacity that I am assigned.
