Curriculum Overview

Officer Camp

Officer/dance camp offers 3 days of instruction and the chance to learn 16 routines that will challenge your officers and bring their technique to a new level. Innovative workshops will teach them leadership and choreography skills and groom them to be great leaders. Final Evaluation offers the chance for them to reach to new heights to know the feeling of achievement. Officers will have team building and choreography workshops. The Galveston Officer Dance Camp at Moody Gardens Hotel and Convention Center offers a luxury setting with many destination spots within walking distance of the hotel, including Schlitterbahn, the Rain Forest and IMAX Theater. We also offer the officer camp at the luxurious Crown Plaza Riverwalk in San Antonio. Take your officers to Fiesta, Texas, and SeaWorld and the Riverwalk for a fun getaway. Our newest location is at the Hilton Bella Harbor on beautiful Lake Ray Hubbard just East of Dallas, in a more relaxed setting and minimal preparation for evaluation. *Learning* is the key word at officer camp!

Social Officer Camp

We are delighted to offer two locations for Social Officers this year including Hilton Bella Harbor on Lake Ray Hubbard and Moody Gardens in Galveston! We offer the chance for social officers to learn several routines, have their own workshops for scrapbooking, event planning, team building and more. They will be furnished with numerous supplies to create many projects that they can display for their evaluation, then take home to resource for their own team.

Team Camp Regular Curriculum

Each of our team camps including college campus camps, hotel team camps as well as commuter camps, will offer the same fabulous Feature Routines. Teams may choose from over 40 routines that they can learn and bring home for use at pep rallies, football halftimes, special performances, spring show and even competition. Teams are taught technique, team building and will enjoy a special Guest Dance Master night with some of the top choreographers in the country.

Team Camp Custom Curriculum

Many locations will offer an opportunity for teams to request Custom Choreographed Routines. Directors may submit music to learn from 2-4 custom routines (depending on location and teaching space) that can be used for competition or special performances. Specific instructors may be requested for custom choreography.

Private Team Camp

Teams may choose to bring our American Staff to their school to present a full curriculum camp in your own home setting. This curriculum will include dances from our Feature Routines, technique workshops, motivation and team building as well as individual and team awards. All private camps are priced on a bid basis to offer you the lowest possible cost. Directors may preview the Visual Notes DVD to choose the routines they want taught at their camp or request custom choreography.

★ **At all Team, Officer, Leadership and Private Camps, directors will receive a complimentary gift from American as well as a DVD of all Feature or Officer Dances, 2 music CD's, routine notes and Directors Handbook** ★

Jazz Camp for Individuals

American offers several locations for Jazz Camp that are customized to take the individual dancer to new levels of technique and special dance skills. Many styles of dance will be taught including jazz, character, modern, lyrical, stylized jazz, hip hop and contemporary dance. Special sessions are offered where each student will receive *one on one* attention from the staff. These are three day commuter camps where each student will receive a music CD and t-shirt and have access to online routine notes and support material for technique. Lunches will be sold on site.
