Officer Dance & Leadership Camps Officer Curriculum was originally designed by *American Dance/Drill Team®* to offer the ultimate training for your officers. Not only will they learn challenging routines but will have choreography and leadership workshops that will mold them into great team leaders. Our three day curriculum for officers includes 16 fabulous routines that differ from the team camp curriculum, that will give an intensive format to motivate your officers as leaders for your team throughout the season, without a competitive atmosphere. At each of our 3 day officer camps we will feature a Guest Dance Master class from outstanding dance professionals. Officers will have numerous seminars and master classes to teach them leadership skills, technique to teach to their teams, and team building workshops to motivate each individual.

Dance Officer Evaluation is offered for Creative Choreography, a Learned Routine and Camp Dance to earn special awards at camp. At the 3 day American Officer Camps, *learning* is a priority. Dance Officer groups can earn ***Most Admired Officers of the Day*** and ***of the Week***, ***All American Officers of the Day*** and ***of the Week***, and ***Gussie Nell Davis Officers of the Day*** and ***of the Week***. Individuals may audition for ***All American***, ***Honorable Mention***, and ***Jr. All American***, ***Grand Champion*** and ***All American Officers*** are invited to the *Macy's Thanksgiving Day Parade*[™]

Top Dance Master Workshops At each of our officer camps, we will include some of the top dance masters in the industry, that have various dance backgrounds, and have a passion for working with young dancers. These dance masters will elevate dancers to reach for new heights and push their skill level by introducing the latest moves. Each Guest Dance Master has a proven notoriety to truly appreciate each dancer and to inspire them with a positive presentation.

Social Officer Camp This camp is specifically designed for social officers to learn their role as leaders on their team and how to play a supportive role to the dance officers as well as to the director. Social officers will be provided a list of materials to bring to camp for their creative talents to develop scrap books, posters, motivational techniques, activity planning, team calendars and much more. They will utilize computer skills as well as other creative techniques to build leadership. There will be hands-on creative workshops that will give them innovative ideas of how to be an effective social officer. The Socials will have daily classes at camp and will have a final evaluation with assigned projects that will be judged by the staff, learn the camp dance, participate in the Guest Dance Master Class, as well as learn their specially choreographed Social Officer Dance that they will perform at the final evaluation. They can also audition for ***All American*** and ***Honorable Mention*** individual awards. The social officers will be eligible for daily awards, just as the dance officers. The socials will vote on a "***Most Admired Social Officers***" group and the staff will select one social officer group for "***Grand Champions***" and one for "***All American Social Officers***."
